### Summary of Progress in this Period

(week 1) Our team finished a rough draft of the design document based on information from our faculty/client meeting as well as our weekly team meetings. During the monthly meeting on 3/3, we shared the draft with our client and advisor and got some feedback. Also, discussed more details about the project.

(week 2) Our team finished the Design document v1 based on feedback from the clients. In our weekly meeting, we designed and added key diagrams after reviewing the Design Document. We were then able to submit version one of the document
